

REPORT ON BASKETBALL WOMENS TEAM

Don Bosco College of Engineering Fatorda participated in the women's basketball tournament organized by Goa University. Unfortunately, the team lost in the quarter-final match against Dempo College Cujira. The match took place at the Navelim Indoor Stadium. Despite the loss, the team displayed great sportsmanship and determination throughout the tournament. We commend the efforts of our players and look forward to future opportunities for improvement and success in sports competitions.
