REPORT ON CRICKET

Don Bosco College of Engineering Fatorda participated in the cricket tournament organized by Goa University, held at the Goa University Cricket Ground from February 23rd to March 10th. In the first match, our college team faced DMC College of Assagao. Batting first, our team scored 90 runs in 20 overs. However, DMC College won the match by 7 wickets. Despite the outcome, our team displayed commendable sportsmanship and determination. We are proud of their efforts and look forward to future matches with optimism and enthusiasm.
