

INTERCOLLEGIATE FOOTBALL TOURNAMENT

Don Bosco College of engineering Fatorda participated in the intercollegiate football tournament organized by Goa University from 30/09/23 to 9/10/23 at Navelim ground.. Despite facing tough opponents, the players showcased their dedication to the sport and demonstrated their ability to work together as a cohesive unit. First match was played against vidhya Prabodhini College porvorim in which we won on penalties .This victory not only boosted the morale of the team but also showcased their resilience and determination. For next round our college played against VM Salgaokar College of law in which we won 2-1 with a spectacular performance from the team .johan araujo scored first goal followed by a brilliant strike from syndroy araujo. In the final minutes of a match we concede one goal but that couldn't stop us from winning, which booked our place in the pre quarterfinal of the intercollegiate football tournament. In the pre quarterfinal of the intercollegiate football tournament, Don Bosco College of Engineering Fatorda put up a valiant fight against MES college vasco but lost on penalties after a thrilling match that ended in a draw. Despite the loss in the pre quarterfinals, Don Bosco College of Engineering Fatorda displayed their determination and resilience throughout the intercollegiate football.
