

## Report on handball

Don Bosco College of Engineering (DBCE) Fatorda took part in a handball tournament hosted by Goa University at Taleigao. The match pitted DBCE against last year's runners-up, St. Xavier's College Mapusa. Despite a valiant effort, our college faced defeat with a scoreline of 3-7. Notably, Ajury Silva showcased outstanding skill by scoring all three goals for DBCE in the first two quarters, making the match a close contest at 3-4. Despite the loss, the team displayed commendable determination and resilience, reflecting weeks of dedicated practice. Their commitment to improving their performance and striving for victory was evident throughout the game. This experience serves as a valuable learning opportunity for the team, motivating them to continue honing their skills and striving for success in future competitions.
