

## Report on Cross Country Event at Goa University - 17th August 2024

On 17th August 2024, six students from Don Bosco College of Engineering participated in the Cross Country event held at Goa University. The race commenced at 8:20 am, with all our participants successfully completing the course.

Notably, Franzil Andrade, a first-year student from the Computer Engineering department, secured an impressive 16th place, finishing within the top 20. Muttanna Rathod followed with a 40th place finish. The other participants—Vanosh Fernandes, Kshitij Patil, Sleydon Medeira, and Varick Dcosta—achieved ranks of 80th, 79th, 96th, and 90th, respectively.

Our students displayed commendable determination and sportsmanship throughout the event, representing our college with pride.
