

## REPORT ON TENNIKOIT TOURNAMENT

**Event Dates:** 7th October - 10th October

**Venue:** Goa University

The Tennikoit teams from Don Bosco College of Engineering represented the college commendably during the tournament held from the 7th to the 10th of October.

### **Men's Team Performance**

The men's team competed in a challenging match against SS Dempo College. Despite a strong start, they were defeated in a close match, ending with a score of 2-1. The team showed resilience and team spirit but narrowly missed advancing to the next round.

### **Women's Team Performance**

The women's team took on GVM College, Ponda. They secured one set out of three in singles but were ultimately defeated in both singles and doubles. Although the match concluded with a loss, the women's team showcased determination and skill, gaining valuable experience for future tournaments.

Both teams demonstrated great sportsmanship, and the experience is expected to strengthen their skills and strategy in upcoming competitions.
