Report on Intercollegiate Swimming Championship

The intercollegiate swimming championship organized by Goa University was held at Campal, Panjim, on 26th July 2024. Representing Don Bosco College of Engineering, Kshitij Patil participated in the 100m freestyle and 100m backstroke events. In a competitive field of 21 students, Kshitij secured a commendable position in the top 5 for the 100m freestyle. Despite his strong performance, he did not win a medal. Kshitij's effort and dedication were evident, and his achievements have made the college proud. The event was a great learning experience and highlighted the talent present in our institution.
